CARRIAGE DRIVING

****Any marathon carriage must have a groom in all obstacle classes.****

Entry: "Entry" shall mean horse and driver combination.

Drivers: Drivers may compete in more than one section of this competition with a different horse. A groom/passenger may compete as a driver on the same course. Junior Drivers are 14 to 17 years of age and may enter Open or Limit classes (if otherwise eligible).

Horses: A horse may compete more than once in the same obstacle class with a different driver or as part of a pair or multiple.

Vehicle: Different vehicles may be used in different classes. It is the driver's responsibility to present the correct vehicle for measuring prior to any obstacle classes.

Open Classes: Open to any entries.

Limit Classes: Entries are ineligible for Limit classes after winning six first place ribbons which must include at least one first place ribbon from each of three ADS and/or USEF Carriage Pleasure Driving competitions.

Entry Fees: Entry fee for each class: \$40; Championship class fee; \$65.

Order of Go: Will be posted on the official carriage notice board. Dressage will have specified assigned drive times. Management will do its best to accommodate conflicts with classes in the main ring. It is the competitor's responsibility to notify the carriage coordinator as soon as conflicts are identified. It is the competitor's responsibility to be ready to go when called. After a reasonable wait, management may announce that a time limit may be invoked. Some classes may be run back-to-back.

Carriage Pleasure Driving Individual

Reinsmanship Test: Competitors enter the ring individually and drive a short course of defined elements in order and at prescribed paces from memory. Entries must follow the designated track without deviation. Unless otherwise specified, elements begin when the horse's nose reaches the marker. To be judged on the driver's skill: use of aids, control of the horse(s), accuracy, quality of transitions and gaits, with additional consideration of impressions of the turnout and driver. Position and Aids: The driver should be seated comfortably on the box so as to

be relaxed and effective. Either the one- or two-handed method of driving is acceptable.

Common to both methods, contact with the horse's mouth should be maintained with an elastic, supportive hand. Drivers should not be penalized or rewarded for using one style over another. The use of the whip and the voice are important aids in driving and should be used effectively and discreetly.

Scoring: The entry receives numerical scores between 0-10 for each element – on use of aids, control of the horse(s), accuracy, quality of transitions and gaits. Half-points may be used for scoring all elements. (Maximum total score = 10 x number of elements.) Overall Impression – of the turnout on the condition and fit of the harness and vehicle, neatness of attire.

(Maximum total score = 10) General Impression – of the driver on posture, relaxation, confidence and effectiveness. (Maximum total score = 10) Perfect Score = 10 x total number of elements + 10 for General Impression + 10 for Overall Impression. Ties are decided by the total of Overall Impression and General Impression scores. The scale of marks: 10 – Excellent 9 – Very Good 8 – Good 7 – Fairly Good 6 – Satisfactory 5 – Marginal 4 – Insufficient 3 – Fairly Bad 2 – Bad 1 – Very Bad 0 – Not Executed **Not executed means that nothing of the required movement has been performed. The judge may state the reason on the score sheet for each mark.

ACADEMY SECTION

The purpose of the Massachusetts Morgan Academy is to introduce lesson riders of all ages and their families to the experience of showing at a rated horse show. Riders in this division are students who are currently taking riding lessons, and are to be judged on their basic riding skills.

All Academy classes will be limited to two sections, with a maximum of 10 entries in each section (20 entries total per class). Entries will be accepted on a first come/first serve basis, so it is strongly recommended your academy entries are submitted as early as possible.

If it becomes necessary to split classes into A and B sections due to shared horses, Section A of both classes will be run consecutively, then Section B, to reduce tack and rider changes. In other words, if it is necessary to split 601 (Walk/Trot/Canter Pleasure 17 & Under) and 602 (Walk/Trot/Canter Equitation 17 & Under), into sections A and B, then 602A will be held immediately following 601A.

General Information/Requirements

All classes will work both ways of the ring at the required gaits.

Headers for leadline riders must be 18 years of age or older. Horses competing in the Massachusetts Morgan Academy are subject to the guidelines of USEF Rules & Regulations. Horses must meet all health requirements as described under Exhibitor Information in this prize list. Stalls must be reserved at the time entries are submitted.

Trainers: please be sure your name/farm name are clearly indicated, otherwise these stalls may not be located with your regularly assigned stalls.

Rider Eligibility: The Massachusetts Morgan Academy classes are open to riders who have not shown in any USEF rated horse shows, NEHC, or state affiliated show during this competition year. They are permitted to compete

in regular classes at non-rated shows such as Rowley Riding and Driving, Silver Heels or any other one-day horse show, etc. Riders in the Mass Morgan Academy are NOT permitted to compete in any regular classes at this show.

Rider Attire: Helmets approved for horseback riding (not bicycle helmets) are mandatory. Riders MUST wear appropriate boots.

Saddle Seat – Kentucky jodhpurs, boots, shirt and vest. No full saddle suits are allowed.

Hunt Seat – Breeches, jodhpur/paddock boots, hunt shirt. Adult riders may wear tall boots. No coats allowed.

Horse Eligibility: All horses/ponies used in Mass Morgan Academy classes must be used regularly in lesson programs. All breeds are welcome. Horses in training with a professional trainer within the last 30 days are NOT eligible. Horses used in Academy classes can cross enter into the regular horse show classes with different riders.

Equipment: Horses may be shown in work bridles (martingales allowed), Pelham bridles or full bridles. There are no shoeing restrictions or requirements. Protective boots are allowed. Braiding is optional.

Entry Fee: \$40 per class
